TID FACT SHEETS AVAILABLE TO PUBLIC

FAIRFIELD - As part of its ongoing public education campaign, the Butler County Transportation Improvement District has published the first in a series of fact sheets. The fact sheets follow community messages published in the Journal-News, the Butler/Warren editions of the Cincinnati Enquirer, the Pulse-Journal, and the Fairfield Echo. This first fact sheet provides background--answering general questions regarding the TID. The series of fact sheets will continue over the next several weeks, and future publications will concentrate on issues including safety and economic development.

Copies are available to the public at the following locations: all First National Bank branches; Bank One, Fifth Third Bank, Key Bank, and Star Bank branches in Fairfield, Hamilton, Oxford, West Chester and Liberty; Thriftway in Fairfield; Meijer in Hamilton and West Chester; Fairfield, Hamilton, and Southeastern Butler County Chambers of Commerce; county, municipal and township buildings in Butler County; and the Lane Public Libraries in Fairfield, Oxford and Hamilton.

For further information, contact Monica Menke-Watts, TID Director of Communications, at 513-942-4700.
